持守宗旨 迎變創新

Upholding Mission and Adopting New Approach to Meet Ever-changing Needs

本會於 1938 年在香港建立工作點，初名教會社會服務中心，至 1949 年在何明華會督 (Rt. Rev. R. O. Hall) 及英國資深社會工作者施國望小姐 (Miss Katherine Scott-Moncrieff) 的協助下，成為獨立非政府家庭服務機構，正名為香港家庭福利會。

本會於 1970 年代，倡導家庭生活教育、設臨床心理服務、家務助理服務，試行駐校的社會工作、寄養服務等。1980 年代開始，以實證方法推行嶄新服務，包括健康身心小組、家庭「偶到」服務、單親家庭支援、被虐家庭治療小組、緊急寄養服務等。

1990 年代，本會開展家事調解服務、新來港定居人士服務和家庭退修中心等，為家庭提供支援。2004 年成立了「綜合家庭服務中心」，提供一站式服務，至今共設立了六間「綜合家庭服務中心」，發展相關服務。

本會特別關注離異家庭的需要，發展家福中心、家事調解服務和「夾縫中的曙光 - 『兒童為本』共享親職先導計劃」，於 2016 年獲社會福利署委託提供「子女探視服務先導計劃」，成立了「親籽薈」，協助離異父母與其子女重建及維持良好的溝通及接觸。此計劃於 2019 年完成，並得到恒常資助，開展「親籽薈共享親職支援中心」，提供一站式共享親職與親子聯繫服務。

除學校社會工作服務，於 1999 年設立綜合青少年服務中心，此外，亦提供網絡支援及輔導服務，引入朋輩調解，並擴展至各中小學，締建和諧校園文化，同時協助有特殊需要的學生融入主流學校，發展所長。自 2017 年銳意拓展青少年及家長的理財教育工作，設立理財教育中心，推出「S-QUBE 青年理財教育計劃」。

Hong Kong Family Welfare Society (HKFWS), known originally as the Social Service Centre of the Churches when established in 1938, became an independent non-governmental organisation in 1949 with the initiation of the Rt. Rev. R. O. Hall and the expert assistance of Miss Katherine Scott-Moncrieff, a well-known social worker from the United Kingdom.

In the 1970s, we pioneered Family Life Education, set up Clinical Psychological Service and Home Help Service, and piloted School Social Work Service and Foster Care Service. Since 1980s, we have initiated a variety of evidence-based experimental services including the Mental Health Group, "Drop-in" for Isolated Families, multiple support for Single Parents, Therapeutic Groups for Abusive Families, and Emergency Foster Care, etc.

In the 1990s, the Society developed Family Mediation Service, Service for New Arrivals, and a Family Retreat Centre to support families. In 2004, we set up Integrated Family Service Centres (IFSCs) and have six IFSCs at present to provide accessible one-stop services and develop a variety of services to support families.

The Society has been addressing to the needs of divorced families to develop Family Resource Centre, the Family Mediation Service and "A Beam of Hope - Pilot Project on 'Child-focused' Parenting Coordination and Co-parenting Services for Divorced Families". In 2016, the Society was commissioned by Social Welfare Department to launch the Pilot Project on Children Contact Service to support divorced couples and their children to initiate and maintain communications. In 2019, we have successfully completed the "Pilot Project on Children Contact Service" and received regular funding support to run the "Parent-child Connect Specialised Co-parenting Support Centre" to provide one-stop co-parenting and parent-child contact services.

Apart from School Social Work Service, the Society also set up an Integrated Children and Youth Service Centre in 1999, piloted Net Education services, introduced Peer Mediation in primary and secondary schools to foster a harmonious school environment. The Society has also developed different service packages for students with Special Educational Needs (SEN) with the aim to enable them to integrate in school life and actualise their potentials. In 2017, the Society has expanded financial education service for youth and their parents, set up a Financial Education Centre and launched the "S-QUBE Youth Financial Empowerment Project".

本會自 2011 年開始發展幼稚園社工服務，及早支援有需要的兒童及家庭，和強化其家庭功能。社會福利署於 2019 年開始推出「在學前單位提供社工服務先導計劃」（第一至第三階段），並於 2023 年正式推行地區為本幼稚園社工服務。本會屯門（東）服務中心，觀塘服務中心及葵青服務中心先後成立。2024 - 2025 年度，本會合共為 62 間幼稚園提供駐園社工服務。

面對香港嚴重的人口老化問題，本會在到戶模式的家居照顧服務上，提供痛楚治療和復康教育，在離島及市區為體弱長者設立彈性日間照顧，實踐「老有所安」的精神，並為長者和照顧者提供心理社交服務，支援他們在精神健康和晚晴照顧等方面的需要。

本會致力提升家庭幸福，於 2019 年起進行「香港家庭幸福指數」調查研究，首創一套信效度俱佳，及切合香港社會文化背景的家庭幸福量度工具。透過全港性調查，定期評估香港家庭的幸福水平，至 2024 年已發佈三次調查結果，為香港家庭、政府及不同持份者，在促進家庭幸福方面提供重要的參考。此外，團隊積極利用多個平台推廣家庭幸福的理念，持續與社會各界的合作，舉辦及參與各類活動和宣傳，提升公眾相關的認識和重視。

轉眼間，本會度過 75 周年的重要里程碑。在未來的日子，全體員工秉持「以家為本」的信念，以愛心與熱誠，承擔使命和責任，持續優化服務，迎變創新，以惠澤香港的家庭和廣大市民。

The Society has been piloting run the kindergarten social work service since 2011 to provide early intervention to children and families, and strengthen family functioning. The Social Welfare Department launched a "Pilot Scheme on Social Work Service for Pre-primary Institutions" (Phase 1 to Phase 3) start from 2019. In 2023, we officially launched on-site social work service for kindergartens. Our Tuen Mun (East) Service Centre, Kwun Tong Service Centre, and Kwai Tsing Service Centre were established successively. In 2024 - 2025, our Society provided stationing kindergarten social work service to a total of 62 kindergartens.

Facing the rapidly ageing population in Hong Kong, the Society has reformed our home-based service model to a spectrum of comprehensive elderly and community support services, including pain control and rehabilitation education. We set up health care centres on outlying islands and in the town to provide flexible day care and rehabilitation programmes for the frail elders. The Society also provides psychosocial services for the elderly and their carers, supporting their needs in areas such as mental health and end-of-life care.

With the dedication to enhancing family wellbeing, HKFWS has been conducting "Hong Kong Family Wellbeing Index" study (HKFWI) since 2019, aiming to develop a socially relevant and culturally appropriate measurement tool of sound reliability and validity to regularly assess the wellbeing of Hong Kong families. Through this territory-wide survey, we regularly assess the wellbeing levels of families in Hong Kong. By 2024, we have published three reports, providing important references for Hong Kong families, the government, and various stakeholders in promoting family wellbeing. Besides, we actively engage in multiple platforms to promote the concept of family wellbeing. With continuously collaboration with different sectors, as well as organising and participating in activities and campaigns, we aim to raise public awareness and appreciation on this important matter.

Time flies, the Society celebrated its significant milestone - the 75th anniversary. Based on our "family-centric" perspective, our staff have been dedicated to actualising our mission in serving families and the community with love and passion. We will continue to enhance our service quality and innovate services to meet the changing needs and promote the wellbeing of families and the Hong Kong community.

Hong Kong Family Welfare Society

回望過去一年，家福會與家庭繼續同行，秉持「以家為本」的信念提供專業而優質的家庭服務，支援個人以至家庭成員面對的困難與需要，以提升整體社會對家庭幸福的關注及重視。我們亦見證了不同家庭的力量和韌性，在各種挑戰面前展現出團結精神。以下為本年度的重點匯報：

本會服務持續推陳出新，積極回應社會狀況與需要。綜合家庭服務繼續獲周大福慈善基金贊助，於 2025 及 2026 年營辦「危機家庭支援計劃」，為失去經濟支柱的家庭提供即時的經濟援助，協助面對難關，重建家庭功能。服務團隊亦積極推動關顧精神健康，以嶄新的認知行為療法改善抑鬱及焦慮情緒；同時透過多元小組及活動提升參加者的心理健康素質。兒童服務則進一步拓展於社區的覆蓋率，「寶林愛心社區保姆服務中心」於 2024 年 12 月正式成立，為因工作安排或突發情況而缺乏資源或支援網絡的家長提供彈性日間幼兒照顧服務。同年 11 月，「將軍澳學前兒童課餘託管服務」亦獲社會福利署批准投入服務，旨在透過課餘託管服務，為因長時間工作、不穩定工時、面臨家庭困境等，而未能為學前兒童給予適切照顧的家庭，紓緩照顧壓力。

我們於 2024 年 5 月第三次公佈全港性「香港家庭幸福指數」調查。結果發現有照顧者的家庭幸福指數有明顯的影響，而且「年長獨自照顧者」情況需要關注。因此，本會建議以「家庭」為單位推動「家庭健康」，並支援約 26 萬名年長獨自照顧者。是次發佈得到超過 20 份媒體報道，引起廣泛的關注。

長者服務積極與外界協作，包括參與由「李國賢長者基金」贊助的「護老藍圖」護老者支援計劃 2.0，以提升社工評估及支援護老者的能力；並協助長者和照顧者運用科技支援與社會保持連繫，促進長者身心健康，鼓勵他們積極投入社區生活。青少年服務方面，今年適逢藝進同學會賽馬會將軍澳青年坊成立 25 周年，中心邀請了一眾青年、家長及社區人士，參與一系列以「夢想」為主題的慶祝活

Reflecting on the past year, The Hong Kong Family Welfare Society has upheld our "family-centric" belief to provide professional and excellent family services. We support individuals and family members in overcoming difficulties and meeting their needs, aiming to enhance society's overall awareness on family wellbeing. We have witnessed the strength and resilience of different families, demonstrating solidarity in the face of various challenges. The followings are the key highlights for this year:

Our services continue to evolve in response to societal needs. The Integrated Family Services continued to receive sponsorship from the Chow Tai Fook Charity Foundation to run the "Family in Crisis Support Project" in 2025 and 2026, providing emergency financial assistance to families who have lost their breadwinners, helping them to navigate difficulties and reconstruct family functions. The service team also promotes mental wellbeing, using innovative Cognitive Behavioural Therapy to alleviate symptoms of depression and anxiety, while enhancing participants' psychological wellbeing through diverse groups and activities. Our Children Services have further expanded their coverage of the community. The Po Lam CareNet Child Care Service Centre was established in December 2024 to provide a flexible form of day child care for parents who lack of resources or support network due to work arrangements or sudden engagement. In November of the same year, the "Tseung Kwan O After School Care and Support Programme for Pre-primary Children Project" was also approved by the Social Welfare Department. It aims to relieve the caring pressure on families who are unable to provide proper care for their pre-primary children due to long or unstable working hours, or to support families facing difficulties.

In May 2024, we announced the results of our third territory-wide study of "Hong Kong Family Wellbeing Index". The results revealed that the presence of a carer in a family has a significant impact on family wellbeing, and the situation of "old and sole carers" requires particular attention. Therefore, the Society recommends promoting "family health" on a family basis and supporting the approximately 260,000 elderly sole carers. This announcement garnered over 20 media coverage, attracting widespread attention.

Our Elderly Services have actively collaborated with external parties, including participation in the "Carer Support Project 2.0" funded by the Simon K.Y. Lee Foundation, to equip social workers skills to assess and support carers. We also assist the elderly and carers in using

動；「全家共學」提供了線上線下的教育活動，促進家庭成員間建立健康使用網絡的習慣，錄得逾兩萬服務人次。

至於調解服務，本會獲民政及青年事務局，透過關愛基金支持開展「贍養費調解試行計劃」，該計劃為期三年，預計可處理合共 1,200 宗個案，為服務使用者提供一個法律程序以外的贍養費調解選項。另外，我們亦獲公益金資助港幣 3,843,967 營辦為期三年的「家事晴 - 調解教育及服務計劃」，旨在透過專業調解服務和教育活動，幫助離異或同居人士處理衝突、解決家庭生活安排的難題，將調解理念推廣到社區。以學校為本的「朋輩調解計劃」來到第 23 年，計劃由 2001 年起已服務超過 210 間中小學和大專院校，超過 8,000 名學生被培訓成為「朋輩調解員」；而於 2024 年 7 月舉辦的嘉許禮，我們邀請到律政司司長林定國先生，GBS, SC, JP 擔任主禮嘉賓，深感榮幸。

理財教育中心繼續與本地銀行包括滙豐銀行、恒生銀行、華僑銀行（香港）等及保險業監管局合作，為社區提供理財教育，推廣健康及正確的理財態度、知識及技巧。中心憑「『撐您人生下半場』理財教育計劃」獲投委會頒發「投資者及理財教育獎（公共／專業機構及非政府機構）」金獎，肯定了計劃成效。同時，我們亦獲勞工及福利局委聘，於「長者學苑計劃」中協助籌辦課程予長者，教授退休規劃、電子支付、防騙等知識，並培訓青年協助長者理財，促進跨代共融。

隨着「家福願景 2024」策略完成，繼往開來，本會制定了未來三年的策略性願景，當中首要是繼續回應社會需求，調整資源分配。本會將以創新模式，並參考企業營運的實踐，進一步提高服務承载力，探索新社區項目，推動可持續發展。執行委員會於 2024 年初所成立的法律支援督導委員會，提升了機構在法規、風險管理及企業管治的水平，並促進了同工相關意識。我們亦會加強其他中央支援，善用科技以提升效率，讓前線服務得以長足發展，建立更完善的監督與學習機制。

現時社會越趨重視家庭的福祉，政府也積極傳揚關愛的家庭文化，本會深感身負重任 - 家福會不僅是社會服務的提供者，更是推動家庭健康發展、提升各家庭成員幸福感的倡議者。我們一直有賴各界善長、政府部門、合作伙伴以至每個家庭的支持穩步發展；展望未來，本會期待與各持份者繼續攜手同行，讓幸福不止於家庭，並於整個社區中體現互相關顧的精神。

technology to maintain social connections, promoting their physical and mental health, and encouraging active community engagement. This year, Youth Services celebrated the 25th anniversary of the ATAA Jockey Club Tseung Kwan O Youth Square with activities themed "dreams", engaging young people, parents and community members. The "Learning Together with Family" initiative provided online and offline educational activities to foster healthy internet use among family members, with over 20,000 service attendances.

For Mediation Services, we received support from the Home and Youth Affairs Bureau, through the Community Care Fund, to launch the "Maintenance Mediation Pilot Scheme". This three-year scheme is expected to handle a total of 1,200 cases, providing service users with an effective alternative way to resolve disputes other than court proceedings. Additionally, we received a grant of HK\$3,843,967 from The Community Chest to launch the three-year "Sunshine in Families - Project on Mediation Education and Services". This project aims to help those divorced or cohabiting handle conflicts and resolve difficulties in family living arrangements through professional mediation services and educational activities, promoting the concept of mediation within the community. The school-based "Peer Mediation Project" entered its 23rd year. Since its inception in 2001, the project has served over 210 primary and secondary schools and tertiary institutions, with more than 8,000 students trained as "Peer Mediators." We were honoured to have Mr. Paul Lam Ting Kwok, GBS, SC, JP, the Secretary for Justice, as the Guest of Honour at the recognition ceremony held in July 2024.

The Financial Education Centre continued its collaboration with local banks, including HSBC, Hang Seng Bank, and OCBC (Hong Kong), as well as the Insurance Authority, to provide financial education to the community, promoting healthy and sound financial attitudes, knowledge, and skills. The Centre's "Empowering Your Life's Second Half Financial Education Project" was awarded the "Investor and Financial Education Award (Public / Professional Body and NGO) - Gold Award, affirming the programme's effectiveness. Concurrently, we were commissioned by the Labour and Welfare Bureau to conduct courses for the elderly under the "Elder Academy Scheme", covering topics such as retirement planning, electronic payments, and fraud prevention, as well as training young people to assist the elderly with financial management, thereby promoting inter-generational inclusion.

With the completion of the "HKFWS Envisioning 2024", we have now formulated our strategic vision for the following three years. The foremost priority is to continue responding to social needs and adjusting resource allocation. We will adopt innovative models and draw on corporate operational practices to further enhance our service capacity, explore new community projects, and promote sustainable development. The Legal Support Steering Committee, established by the Executive Committee in early 2024, has enhanced the organisation's standards in legal compliance, risk management, and corporate governance, and has raised related awareness among our colleagues. We will also strengthen central support, leverage technology to improve efficiency and enable the long-term development of our frontline services, as well as to establish a more comprehensive supervision and learning mechanism.

As society places increasing importance on family wellbeing and the government actively promotes a caring family culture, HKFWS has a profound sense of responsibility. We are not just a provider of social services but also an advocate for nurturing healthy family growth and enhancing the wellbeing of every family member. Our steady development has always relied on the support from all sectors, government departments, partners, and every single family. Looking ahead, we anticipate continuing to work together with all stakeholders, so that wellbeing extends beyond the family and the spirit of caring is embodied throughout the community.

「愛在·家在」本會慶祝 75 周年 “Family is where Love is”: Celebrating 75th Anniversary

適逢本會成立 75 周年，為慶祝這重要的里程碑，機構以「愛在·家在」為主題，於 2024 年全年舉辦一系列會慶活動，向大眾宣揚家庭幸福的重要性，並分享一同走過 75 年的喜悅。

隨著時代變遷，社會上「家庭」的結構變得多樣化，包括有多代家庭、獨居家庭、離異家庭、寄養家庭及遠距離家庭等等，但無論社會如何變遷，本會深信「只要有愛便有家」，「愛」仍然以不同的方式連繫著每一個「家」，這份「愛」不侷限於有血緣關係的親人之間，只要能共同分享愛、幸福感和互相關懷，「家」就存在。

Marking our 75th anniversary milestone in 2024, the Society launched a year-long celebration under the theme “Family is where Love is”. With the changing times and societal shifts, the structure of “Family” has become diversified, including multi-generational families, single-person households, divorced families, foster families, and long-distance families, etc. Regardless of how the world changes, the Society holds steadfast to the conviction that “where there is love, there is a family”. 香港家庭幸福指數

Hong Kong Family Wellbeing Index

家福會關注香港家庭福祉，於 2019 年推出「香港家庭幸福指數」量度工具，並於 2024 年進行第三次調查，持續了解香港家庭幸福狀況。調查涵蓋「家庭團結」、「家庭資源」、「家庭健康」、「社會連繫」、「社會資源」和「生活平衡」六個範疇。研究結果顯示，家庭幸福指數由 2022 年的 6.10 分下跌至 2024 年的 6.06 分；特別是有照顧者的家庭幸福指數為 5.81 分，顯著低於無照顧者家庭的 6.24 分。本會建議以「家庭」為單位推動「家庭健康」，並支援約 26 萬名年長獨自照顧者。

HKFWS has been committed to enhancing the family wellbeing in Hong Kong. In 2019, we launched the Hong Kong Family Wellbeing Index (HKFWI), and conducted the third survey to assess the state of family wellbeing in 2024. The index covers six domains, namely "family solidarity," "family resources," "family health," "social connection," "social resources" and "work-life balance". The family wellbeing index dropped from 6.10 in 2022 to 6.06 in 2024. In particular, index of the families with carer is 5.81, which is significantly lower than 6.24 of the families without carer. We propose to promote "family health" by using the "family as a unit", and focus resources to provide appropriate services targeted the 260,000 "Old and Sole Carers" in Hong Kong.

We shared the status of family wellbeing in Hong Kong and reflected on policies introduced during and after the pandemic to enhance family wellbeing. These initiatives not only deepened the understanding of family wellbeing as well as exchanging experience among professionals and the public, but also encouraged ongoing attention to family welfare and strengthened cross-sector collaboration.

協助危機家庭，共同度過難關 Support Families in Crisis, Stand Together through Adversity

周大福慈善基金自 2017 年起贊助本會推行「危機家庭支援計劃」，為面對家庭經濟支柱突然死亡或患上嚴重疾病，而育有年幼在學子女的家庭提供一站式情緒及經濟支援服務。計劃於 2024 - 2025 年度協助 122 個新家庭個案及批出的經濟援助予有經濟需要的家庭，以減輕家庭面對的壓力。計劃亦於年度內舉行五次外出家庭活動，連同義工和家庭一同享受美好時光。義工亦提供三次節日探訪，為家庭送上關懷，更深入了解家庭的需要。另外，計劃亦舉辦五次婦女互助小組活動，讓婦女在照顧家庭的時候，亦可以照顧自己。本會堅信與家同行的重要性，基金會給予危機家庭的每一絲關心及支持，就像撒播希望種子，支援家庭度過難關，慢慢重拾生機。

Since 2017, the Chow Tai Fook Charity Foundation has sponsored our Society to implement the "Family in Crisis Support Project", providing one-stop emotional and financial support services for families with young school-aged children who have lost their main breadwinner to sudden death or serious illness. The project supported 122 new family cases and granted financial aid to families in need, helping to alleviate the pressures they face, for the year 2024 - 2025. Five family outings were organised during the year, allowing volunteers and families to enjoy quality time together. Volunteers also made three festive visits, showing care and gaining deeper insight into the families' needs. In addition, five women's mutual support group activities were held, enabling women to care for themselves while caring for their families. We firmly believe in journeying alongside families; every act of care and support is like sowing seeds of hope, helping crisis families through difficult times and gradually restoring vitality to their lives.

家人齊心保護，促進兒童成長

Unite in Child Protection, Support Growth and Development

政府提出的《強制舉報虐待兒童條例草案》已於 2024 年 7 月 11 日在立法會三讀通過，條例將於 2026 年 1 月 20 日實施。虐待兒童的個案，無論是即時或過了很久才被發現，無疑都會對兒童的身心造成傷害。

本會一直關顧家庭需要及兒童福祉，自 2022 年 10 月起推行「『童』步家·愛計劃」，以「及早識別」和「及早介入」策略，與家長、教職員和社區人士，宣揚和諧家庭和保護兒童的信息，攜手締造愛護兒童的社區。計劃在本年度內，共舉辦了 14 次教師培訓工作坊（包括小學及學前機構）、59 次家長小組 / 工作坊、46 次兒童小組 / 工作坊、22 次親子小組 / 工作坊。於 2024 年 11 月，本計劃在本會 75 周年會慶活動上，舉行「童」你拼出愛及「扭」轉好心情兩個攤位遊戲，與大眾分享正向親子管教之道，學習有效減壓方法，場面熱鬧反應踴躍。年度內各項活動均獲得參加者正面的評價，大眾對保護兒童意識也相應提高，並為兒童提供成長護蔭。

With the passage of the "Mandatory Reporting of Child Abuse Bill" legislation on 11th July, 2024, it will come into effect on 20th January, 2026. Child abuse cases, whether identified immediately or after a long delay, undoubtedly caused harm to children's physical and mental wellbeing.

The Society has always prioritised family needs and children's wellbeing. Since October 2022, we have launched "Child Protection In Action", adopting strategies of "early identification" and "early intervention". Together with parents, educators, and members in the society, we promoted messages of harmonious families and child protection, working hand in hand to create a child-friendly community. During the year, the project organised 14 teacher trainings (for primary schools and pre-primary institutions), 59 parent groups / workshops, 46 children's groups / workshops, and 22 parent-child groups / workshops. In November 2024, as part of our Society's 75th anniversary celebrations, the project featured two booth games - "Puzzle of Love with Children" and "Twist to a Good Mood", to share positive parenting techniques and stress-relief methods with the public. The events were lively and well-received. All activities throughout the year received positive feedback from participants, raised public awareness of child protection, and provided a safe environment for children's growth.

自 2024 年 9 月起，「鄰里支援幼兒照顧計劃」已納入社會福利署（社署）恒常資助服務。本會於 2024 年 12 月，正式成立「寶林愛心社區保姆服務中心」，為西貢及將軍澳區有需要的家庭提供服務。

The Society has long provided a wide range of child care services, including foster care, the Neighbourhood Support Child Care Project (NSCCP), and After School Care Programme for primary students, offering residential and day care support to children in need.

Starting from September 2024, the NSCCP has become a regular assistance programme under the Social Welfare Department (SWD) of the Government. In December 2024, we officially established the "Po Lam CareNet Child Care Service Centre" to serve families in need in Sai Kung and Tseung Kwan O.

In addition to our existing foster care services, NSCCP, and After School Care Programme (ASCP), we were approved by the SWD in November 2024 to launch After School Care Programme for Pre-primary Children in Tseung Kwan O. This service targets families in Tseung Kwan O and Sai Kung who require long working hours, have unstable work schedules, or lack support networks, aiming to relieve the care burden on parents or carers. The "Tseung Kwan O After School Care Centre for Pre-primary Children" will officially commence service in June 2025.

Foster parents and child carers play a vital role in the care and protection of children. Our Society is committed to recruiting suitable families to become foster families and child carers, with the aim of benefitting more children and families in need. For the year 2024 - 2025, we promoted our services and recruited caring parents through various media interviews. In March 2025, we were invited by the SWD to represent the sector in an interview on the RTHK radio programme "Healthpedia", promoting the NSCCP. This allowed the public to learn about the service and encouraged more enthusiastic

更多市民了解這項服務，並招募更多熱心市民參與成為社區保姆，以擴大社區的關懷網絡。為吸引更多家庭投入服務，本年度除了增加服務獎勵金外，本會聯同社署及各服務機構共同舉辦服務頒獎禮，表揚寄養家庭及社區保姆對兒童的關懷、付出和非凡貢獻。

為提升寄養家長及社區保姆的照顧能力，本年度我們將培訓課程系統化，寄養家庭及社區保姆在提供服務前，均需接受 12 至 14 小時的基礎培訓。培訓內容方面，寄養家庭需認識服務相關的行政事宜及相關人士的角色與責任、與原生家庭溝通及合作、兒童健康 / 營養 / 常見疾病、家居安全及兒童成長需要等。而社區保姆的培訓則涵蓋不同年齡兒童的身心發展、成長發展里程和需求、照顧及溝通技巧、家居安全和衛生，保護兒童的措施，及意外和特別事故的處理等。確保所有註冊的寄養家長及社區保姆都能掌握最新的兒童照顧知識和技巧。

此外，更加設進階訓練課程，旨在讓寄養家長及社區保姆對有特殊學習需要的小朋友有初步認識，裝備他們照顧不同特質和需要的小朋友。

individuals to join as child carers, thereby expanding the community care network. To attract more families to participate, other than increasing service incentives this year. SWD and other service organisations co-organised award ceremonies to recognise the care, dedication, and outstanding contributions of foster families and child carers.

To enhance the caring competencies of foster parents and child carers, we have systematised the training programme this year. Before providing services, foster families and child carers are required to complete 12 to 14 hours of basic training. For foster families, training covers administrative matters, roles and responsibilities of stakeholders, communication and cooperation with birth families, children's health / nutrition / common illnesses, home safety, and children's developmental needs. Training for child carers includes physical and psychological development at different ages, developmental milestones and needs, caregiving and communication skills, home safety and hygiene, child protection measures, and handling accidents and special incidents. This ensures all potential foster parents and child carers are equipped with up-to-date knowledge and skills in child care.

Additionally, advanced training courses have been introduced to give foster parents and child carers a preliminary understanding of children with special educational needs, equipping them to care for children with diverse characteristics and needs.

透過多元化的心理社會活動，提升家居照顧服務使用者的生活質素 Enhance Quality of Life for Home Care Service Users through Diverse Psychosocial Activities

家居照顧服務使用者的身體狀況及自理能力一般較弱，與社會的接觸也有較大限制，因此除了提供基本生活支援，例如膳食服務、家居清潔、護送等，本會近年亦透過多元化的心理社會服務，擴闊長者的社交網絡，加強其社區連繫，提升整體幸福感。本年度我們舉辦各類日間中心活動、講座、工作坊、外出參觀、義工活動等，為長者及護老者提供不同的學習及體驗，鼓勵他們與時並進，提升生活質素。此外，我們積極與外界團體協作，除了企業義工服務外，亦參與由「李國賢長者基金」贊助之「護老藍圖護老者支援計劃 2.0」，以提升社工評估及支援護老者的能力。

Home care service users often have weak physical conditions and limited self-care abilities, which also restricts their social interactions. In addition to providing basic daily support such as meal delivery, household cleaning, and escort services, our Society has expanded the elderly's social networks and strengthened their community connections through a variety of psychosocial services, enhancing their overall sense of wellbeing. This year, we organised a range of activities at our day centres, including talks, workshops, outings, and volunteer events, offering different learning and experiential opportunities for both the elderly and their carers. These initiatives encouraged them to keep pace with the times and improve their quality of life. We also actively collaborated with external organisations. In addition to corporate volunteer services, we participated in the "Caregiver Support Project 2.0", sponsored by the "Simon K.Y. Lee Elderly Fund", to enhance social workers' ability to assess and support caregivers.

協助長者和照顧者運用科技支援以保持社會接觸及活動能力 Support the Elderly and Carers in Using Technology to Maintain Social Connections and Functional Abilities

運用科技支援長者保持社會接觸及活動能力，已成為現代照護的重要方向。透過創新技術，我們能夠有效促進長者的身心健康，鼓勵他們積極參與社區生活。例如樓梯機的引入，讓長者能夠安全地上落樓梯，增強他們的獨立性和自信心，從而更積極地參與活動，融入社會。此外，互動投影系統及一些科技認知儀器系統透過趣味遊戲和互動體驗，促進認知訓練，提升長者的反應能力和社交互動，讓他們在遊戲中建立人際關係。這些科技工具不僅改善了長者的生活質素，也減輕了照顧者的壓力，改善家庭的關係。

Utilising technology to help the elderly maintain social connections and functional abilities has become a key direction in modern care. Through innovative technology, we effectively promote seniors' physical and mental health and encourage active community participation. For example, the introduction of electric stair climbers enabled the elderly to move safely between floors, boosting independence and confidence, and encouraging greater involvement in activities and social integration. Interactive game systems and cognitive training devices provide engaging games and experiences, fostering cognitive training, improving reaction times, and enhancing social interaction, allowing the elderly to build relationships through play. These tools not only improve quality of life but also relieve carers' stress and strengthen family relationships.

d) Funders and external partners

The Society has maintained close collaboration with government departments, funders and strategic partners to put joint efforts in service provision to benefit the service users and the community as a whole. During the year, the management staff served in over a hundred of committees, panels, working groups, task force, liaison groups and network meetings of different nature set up under Social Welfare Department, Social Workers Registration Board, Hong Kong Council of Social Service, Family Council, Hospital Authority and District Council etc, to advise on the development of social services, social welfare policies and issues relating to the welfare of its service users and the community as a whole. The Society continued participating in the work of Connecting Hearts which supports the development of welfare sector as a whole. All these efforts are to actualise the Society's mission to promote the wellbeing of families and foster a caring community.

Principal risks and uncertainties

With increased complexity in the external environment, it is inevitable that the Society is exposed to risk which would affect its ability to achieve the planned objectives. To manage risks and to ensure sustainable development of the Society, a Legal Support Steering Committee was formed in 2024 under the Executive Committee to advise the agency on legal compliance, risk management and related corporate governance issues. There was a progress report to the Executive Committee on a regular basis to ensure that risks are identified, appropriately assessed, mitigated and managed, and continual enhancement of its services and operations is in place.

The Society had an overall staff turnover rate at 12.5%, which recorded a decrease as compared with the figure of 17.9% last year. With the service expansion in the social welfare sector and government subvention, competition in the manpower market could not be avoided. Effort in the recruitment and retention of staff was made, particularly for social workers and health care professionals, etc. and the Society conducted annual review exercise on the remuneration package, and develop Human Resource initiatives to improve the staff welfare benefits and to promote the Society by enhancing employer branding. The Society will monitor on staff control practices due to the fluctuation in attrition rate which have impact on the finance and services. Strategies will be developed to attract and retain talents.

Future development

In the coming year, after the completion of Envisioning 2024, the Society had kick started another business cycle, including (1) Echo the societal needs and improving the family wellbeing in Hong Kong by providing quality services; (2) Capacity Building by facilitating innovation and entrepreneurship through service development; and (3) Strengthen Central Support to enhance operation efficiency and effectiveness.

Internally, in view of the budget cut of under the implementation of Productivity Enhancement Programme of the government, the Society will develop plans and policies in reviewing service modality and staff mix to cope with a gradual budget adjustment and to ensure minimal disruption to services and uphold staff morale in the operation.

Results

The results of the Society for the year are set out in the statement of comprehensive income on page 10.

On behalf of the Executive Committee

Chairman

Hong Kong, 30th September 2025

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF HONG KONG FAMILY WELFARE SOCIETY**
(Incorporated in Hong Kong and limited by guarantee)

Opinion

What we have audited

The financial statements of Hong Kong Family Welfare Society (the "Society"), which are set out on pages 9 to 53, comprise:

- the balance sheet as at 31st March 2025;
- the statement of comprehensive income for the year then ended;
- the statement of changes in own funds for the year then ended;
- the statement of cash flows for the year then ended; and
- the notes to the financial statements, comprising material accounting policy information and other explanatory information.

Our opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Society as at 31st March 2025, and of its financial performance and its cash flows for the year then ended in accordance with HKFRS Accounting Standards as issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis for Opinion

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Society in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code.

Other Information

The Executive Committee members are responsible for the other information. The other information comprises the information included in the Executive Committee's report and the annual report, but does not include the financial statements and our auditor's report thereon.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF HONG KONG FAMILY WELFARE SOCIETY (CONTINUED)**
(incorporated in Hong Kong and limited by guarantee)

Other Information (Continued)

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Executive Committee Members for the Financial Statements

The Executive Committee members are responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRS Accounting Standards as issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the Executive Committee members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Executive Committee members are responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Executive Committee members either intend to liquidate the Society or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. We report our opinion solely to you, as a body, in accordance with Section 405 of the Hong Kong Companies Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF HONG KONG FAMILY WELFARE SOCIETY (CONTINUED)**
(Incorporated in Hong Kong and limited by guarantee)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

As part of an audit in accordance with HKSA's, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Executive Committee members.
- Conclude on the appropriateness of the Executive Committee members' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Executive Committee members regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The engagement partner on the audit resulting in this independent auditor's report is YEUNG, Chun Wai (practising certificate number: P05533).
