Support Programme for Enhancing
Peaceable Relationship

Children Class

Facilitate
the Positive Growth of
Your Children

Care about YOUR CHILDREN

Witnessing or being exposed to intensive family conflict may lead to negative physical, psychological and social influences. Below are some examples.

- Instable emotion (such as irritable mood, depression or anxiety)
- Difficulty in concentration
- Deterioration in academic result
- Sleeping problem like nightmare or insomnia

For the health and positive growth of your children, we recommend you to enroll the "Peace Campus - Children class" for him/ her.
