Resuming of classes -Removing masks

TIPS ►

香港家庭福利會

Tips:

**Avoid touching
the outside of
the mask**

**Use the strings on
both sides to
remove the mask**

**Clean your hands
before and after
removing mask**

TIPS ►

香港家庭福利會

Steps:

1 Use soap to wash your hands

(Use rubbing alcohol if you can't wash your hands at that moment)

2 Dry your hands
(or, wait until the alcohol on your hands has dried)

3 Use the strings on both sides of your mask to remove it

TIPS ►

香港家庭福利會

Changing your mask

4 Dispose the original mask into a covered rubbish bin

5 Use soap to wash your hands

(Use rubbing alcohol if you can't wash your hands at that moment)

6 Dry your hands
(or, wait until the alcohol on your hands has dried)

TIPS ►

香港家庭福利會

Temporary removal of mask

1 Use soap to wash your hands

(Use rubbing alcohol if you can't wash your hands at that moment)

2 Dry your hands
(or, wait until the alcohol on your hands has dried)

3 Use the strings on both sides of your mask to remove it

TIPS ►

香港家庭福利會

暫存口罩步驟：

4

**Place the mask in a clean
mask keeper**

(or, use a clean piece of tissue to cover it)

5

**Use soap to wash your
hands again**

(Use rubbing alcohol if you can't
wash your hands at that moment)

6

Dry your hands

(or, wait until the alcohol on
your hands has dried)

TIPS ►

香港家庭福利會

Mask keeper:

For example,

► **An envelope**

► **Mask cover**

► **Plastic box**

► **Food preservation bag
et cetera...**

As long as it is

clean and/or sterilised

TIPS ►

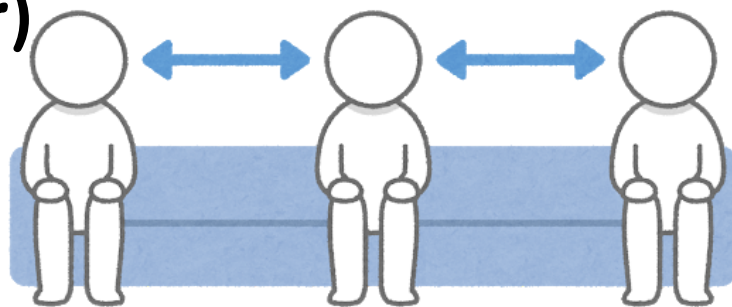

香港家庭福利會

When eating,
remember to...

1 Make sure your hands are
cleaned

2 Remain at a **certain
distance** from people
(around a meter)

3 Avoid eating **opposite**
to people
